

WEBINAR

Work in Manitoba Job Portal Information Session

You're invited to a webinar to learn more about the Work in Manitoba job portal; an innovative, one-stop platform that efficiently connects Manitoba employers with job seekers across Manitoba, Canada and from abroad based on qualifications and labour market needs.

The job portal is user-friendly and free to use by job seekers and employers.

This webinar will include:

- » Portal overview highlighting its key functionalities
- » Walk-through demonstration
- » Q&A session

Learn why thousands of job seekers have already leveraged this powerful tool to enhance their job search and land their next opportunity.
